Working Globally
to Meet Unique
Local
Requirements

JUST IN TIME RESOURCE FULFILLMENT

GAC is a premiere IT staffing and solutions provider specializing in niche skill placements. Companies today are faced with dynamic and fast-paced technology and business environments. The cost to stay competitive is high. GAC can help meet these challenges by being a trusted partner for staffing key initiatives and teams.

GAC is uniquely positioned to help companies augment and extend their project teams and internal functional areas. GAC has a global team which sources and qualifies candidates. With locations in India, Mexico and Guatemala to support its U.S. headquarters office, GAC can “follow the sun” to continuously work on its clients’ urgent resource requirements.

GAC’s internal source to placement methodology emphasizes quality and efficiency to match and qualify the right resource for its clients’ requirements. GAC stands behind its placements with a two week guarantee.

GAC has successfully fulfilled just in time resource needs for its Fortune 500 clients serving in industries like Manufacturing, Retail, Consumer Packaged Goods, Healthcare and IT Services. As a trusted partner in key resource fulfillment, GAC delivers.
